

# UJC Mountain Biking Weekend at Mount Buller Friday 24<sup>th</sup> January – Sunday 26<sup>th</sup> January 2020

Join us for a weekend of mountain biking at Mount Buller. The scenery is spectacular in summer and this is a chance to experience it!

Whether you are an adrenaline junkie or someone who prefers to take it easy and enjoy the view, there are options for everyone. There are cross country and downhill cycling trails and plenty of gentle options for beginners.

If you don't have the gear, bikes and helmets are available for hire at Mt Buller Village. Lift passes can be purchased for those choosing to ride the downhill trails. Mountain biking tours with a professional guide are available at additional cost.

People interested in attending who prefer to do road cycling or other activities independently are also welcome.
